

CENTRAL MEDICAL SERVICES SOCIETY

Amendment-3

Subsequent and in continuation to the Pre-Bid MoM uploaded on CMSS website, the following amendment is approved.

The 'Carpet Area' as mentioned in Annexure-1, Annexure-2 and anywhere in the tender document or subsequent amendments would be read as 'Built-up Area' for all purposes.

Bidders who have submitted their bids prior to the present amendment need not resubmit their bids. The current changes would be considered superimposed to their already submitted bids including Annexure-1 and Annexure-2 for evaluation.

No extension in tender opening date and time is being granted in lieu of this amendment.
