AMENDMENT NO. 1

Amendment in Minutes of Pre-bid Meeting for Procurement of LLINs (Long Lasting Insecticides Nets) for NCVBDC

TENDER No: CMSS/PROC/2023-24/NCVBDC/034

Pre-bid conference held on 11.09.2023

After uploaded the Pre Bid Minutes on Portal, a query raised by M/s VKA Polymers Pvt Ltd. The Clarification/amendment is as follows:

Bidder	Query/ Classification Asked	Clarification/Amendment
M/s VKA Polymers Pvt Ltd	<p><i>"Subject: Clarification regarding corrigendum issued dated 17th November 2023 with respect to LLIN Bid No: CMSS/PROC/2023-24/NCBDC/034.</i></p> <p><i>Firstly, I would like to express our gratitude for the clarification provided by your esteemed office. However, there remains a certain level of ambiguity concerning page 7, Clause 4 (h) regarding the use of terminology "Similar items quoted/any LLIN."</i></p> <p><i>Query was:</i> <i>"Please consider terminology "Similar LLIN" instead of "any LLIN" as there are two different technologies used to manufacture LLINs. The bidder quoting for LLIN based on HDPE Incorporated technology should submit past experience credentials of similar technology.</i></p> <p><i>Your good office replied below;</i></p> <p><i>"Similar item is defined as: Any previous experience in providing similar item, other than size and Dimensions"</i></p>	<p>Different technology for LLIN requires different equipment and experience, hence any bidder/ company applying for LLIN with a particular technology should share the experience of the same for being eligible, Hence, Similar items means a manufacturer offering HDPE nets using incorporated technologies experience can present evidence of experience only related to HDPE nets. Similarly, a manufacturer offering polyester nets must demonstrate their experience in polyester-based nets only. Additionally, experience in manufacturing HDPE nets cannot be considered for bidding on polyester nets, and equivalently, experience in producing polyester nets cannot be applied to bidding for HDPE nets.</p>

Bidder	Query/ Classification Asked	Clarification/Amendment
	<p><i>(as per technical specification of NCVBDC in respect of LLINs.)</i></p> <p><i>Regrettably, this explanation doesn't provide clear insight into the definition of "Similar" item, leaving us in uncertainty. Hence, we seek further clarification to determine whether a company possessing experience & capacity in producing HDPE nets via Incorporated technology would be eligible if it offers Polyester nets using coated technologies. It's important to note that both incorporated and coated technologies significantly differ from each other in terms of infrastructure/types of machinery & capacity.</i></p> <p><i>Your prompt clarification on this matter would greatly assist us in understanding the criteria for eligibility and thereby enable us to proceed accordingly with our bid submission.</i></p>	<p>Accordingly, Clause 4(h) of the tender document is amended as:</p> <p>Tenderer should have supplied 15% of the quoted quantity of same technology of LLIN being quoted in this tender during the last two financial years. Bidder should submit Purchase order copies and certificate duly issued by statutory auditor of the company on his letter head by certifying the quantities manufactured and marketed in trade, export, open market, sold to government institutions, private bodies etc. and the marketed quantities are not less than at least 15% of the quoted items.</p> <p>Note: Bidder should submit Purchase order copies along with the copy of GST invoice and E-way bill against the proof of execution of order for every submitted Purchase Order. If GST invoice is not applicable for any Purchase Order, the affidavit to that effect on stamp paper of Rs. 100/- should be submitted.</p>
